### PURPOSE

Mid-Ohio Valley Work Camp is a project organized to give young people an opportunity to serve God by serving others who are in need. This will be the 17th annual camp.

### LOCATION

All participants who attend Work Camp will be housed in the dormitories at Ohio Valley University in Vienna, WV.

### MEALS

Breakfast is mandatory for everyone and will be served in the cafeteria. Lunches will be provided at local churches and dinner will be served in the evenings back at OVU. Tuesday night is dinner on the town with your site group. Please bring money for dinner. There is also a late night canteen in the dorms - bring money for that, too.

### SITES

The house that will be painted during the week are referred to as work sites. The tasks at the work sites include scraping, painting, caulking, minor repairs, cleaning up, and perhaps light yard work. Most of the houses are owned by people who are living on limited incomes or by senior citizens who cannot do the work themselves.

### SAFETY

Each site will be inspected by adults and the local electric company before Work Camp begins. First aid is available at each site. Water will be provided at each site during the day. Our policy is always Safety First.

### PHONE POLICY

Because of our safety first policy, workers will not be allowed to have their cell phones on the job sites. Phones will be collected and placed in a box during the work day.

### COST

The cost is \$85 per teen and \$25 per adult. See registration form for family discount. All participants must fill out a Registration Form, Medical Form, and Release Form. Give the forms and payment to the youth leader by May 1st. Registrations postmarked after deadline will be charged a \$25 late fee per person.
